### DETAILED ACTION

#### *Allowable Subject Matter*

1. Claims 1-5 and 13 are allowed.
2. The following is an examiner's statement of reasons for allowance:
  - Applicant's argument regarding the most recent claim amendment (the amendment received on 04 March 2006) have been fully considered and are persuasive. This amendment overcomes the prior art previously applied in the 103(a) rejection. This cited prior art does not teach or suggest these new limitations.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
